EXECUTIVE SUMMARY

Swift Safety Security Limited is a Zambian based company which operates as a security service provider. Its employees include general guards, crew commanders, crew members, gun men, radio and alarm system controllers, and technicians plus support staff throughout Zambia including the remotest parts.

The company provides premises guard services, event security, installation of CCTV cameras and alarm response system. Swift safety Security surpasses its competitors in meeting the standard of what a security guard company consists of in the industry today. the company trains guards and has insurance cover in case of theft, loss or damage to third parties.

Our employees are customer - Oriented professionals, full uniformed and equipped with necessary tools to the job right, and our guards force is well trained in security policies and procedures. in additional, they are trained to provide superior customer service.

We as a security service provider aim to provide an excellent service beyond deterring, detection and reporting incidents.

We train our guards to be gate keepers, receptionist and representatives of clients, and provide a 24/7 service for all business classes

About us

SWIFT SAFETY SECURITY LTD, was established to provide security services of international standard.

Due to innovation and the progress of the society, people are increasingly aware of the environmental, properties and information protections. Since there is so much of crime activities, Swift Safety Security Limited is established to prevent all forms of crimes. Our staff selection and retention processes ensure that we have a motivated, experienced and highly talented team.

Each member of the company undergoes rigorous training safety standard and work ethics to ensure the highest quality of professional services.

We recruit the best people, train them throughout their careers, reward them appropriately and assemble a multi-disciplinary team for each assignment given to them.

SWIFT SAFETY SECURITY LTD, has now been established locally as a professional security service provider with the capacity to protect high quality zambian and international companies.

Our company is open to work together with all partners in order to create a more stable and more reliable provision of security service network for the country thereby, creating a brilliant future for the development of zambians.

OUR MISSION

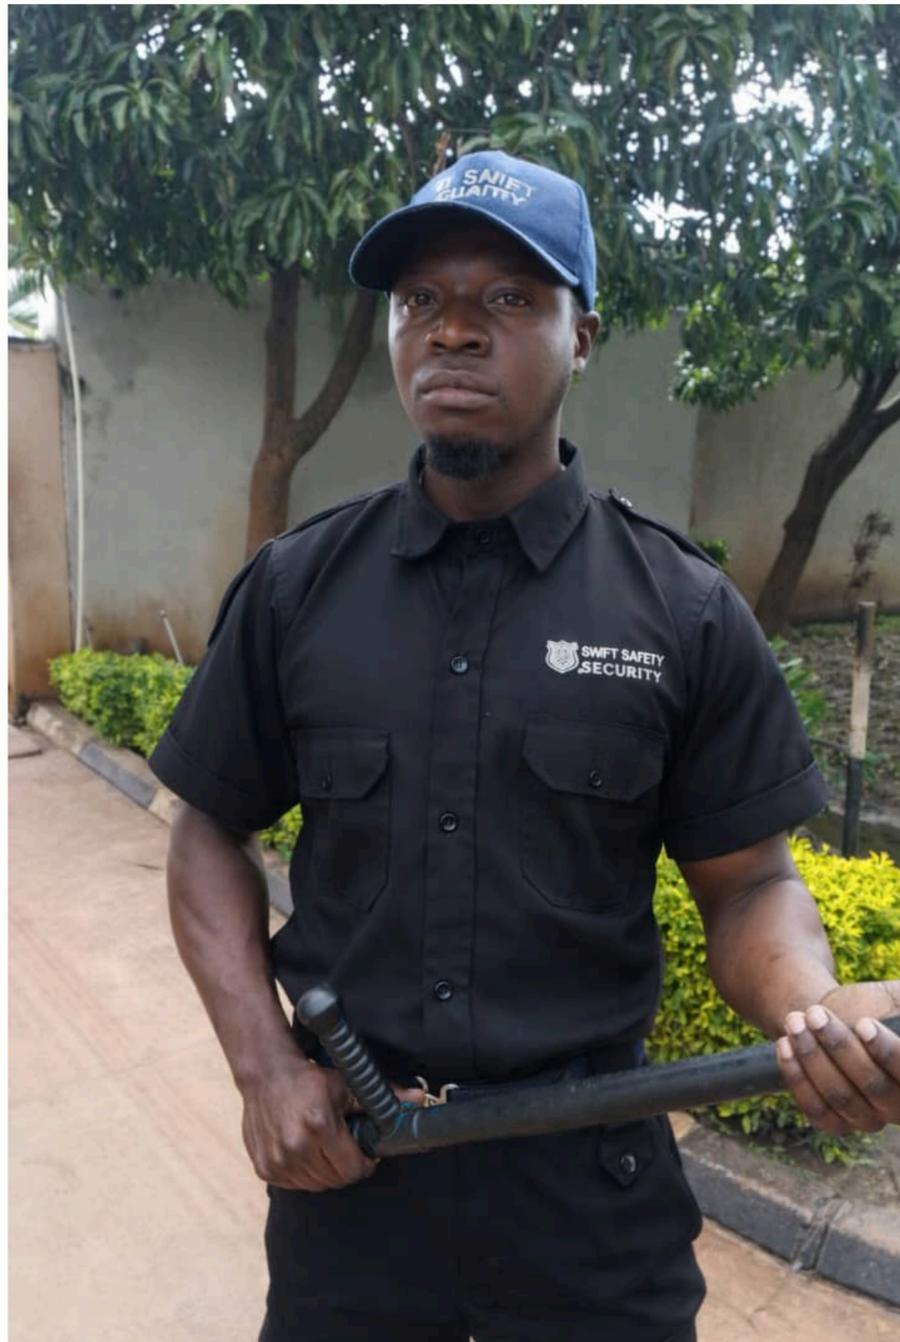

To provide our clients with the very best services possible

- Our method is to achieve service experts, continually growth to improve in all areas
- To provide cost effective security services that exceeds the expectations of our clients
- To develop partnership with clients.
- Our measure of success is to grow 30% each year in sales based on client satisfaction.

OUR VISION

Our vision is to be one of the best provider of high quality but cost-effective security services and to be a preferred company that can be relied upon to provide satisfactory security services to its esteemed clients and to be well established, competitive and one of the leading security firms in zambia

Smart Secure Solutions

OUR VALUES

The following represent our core values

SERVICE

INTEGRITY

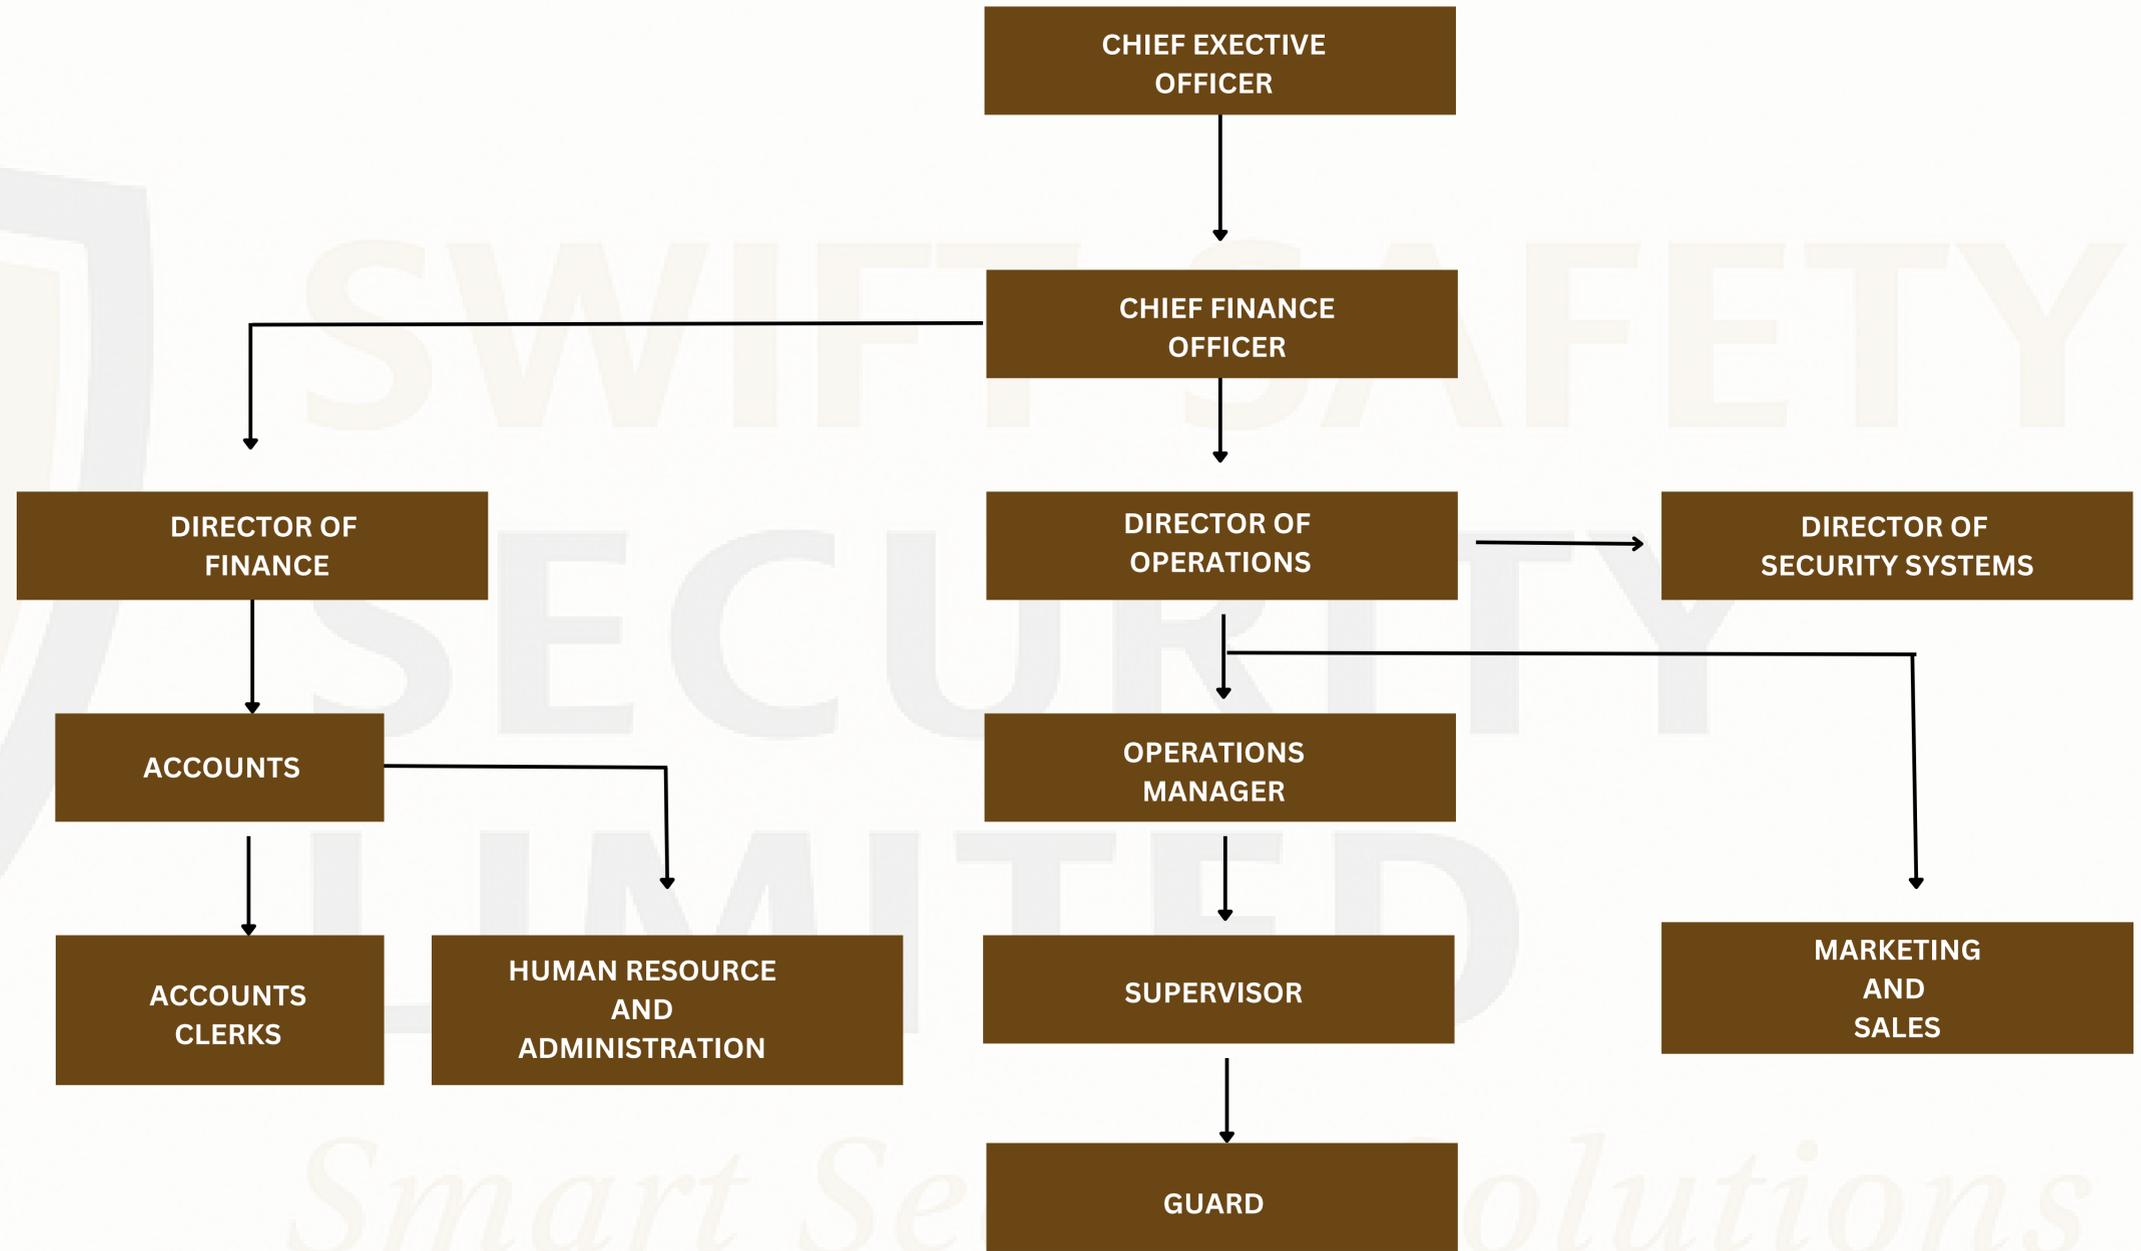

TEAM WORK

WORK CENTRIC

FAIRNESS

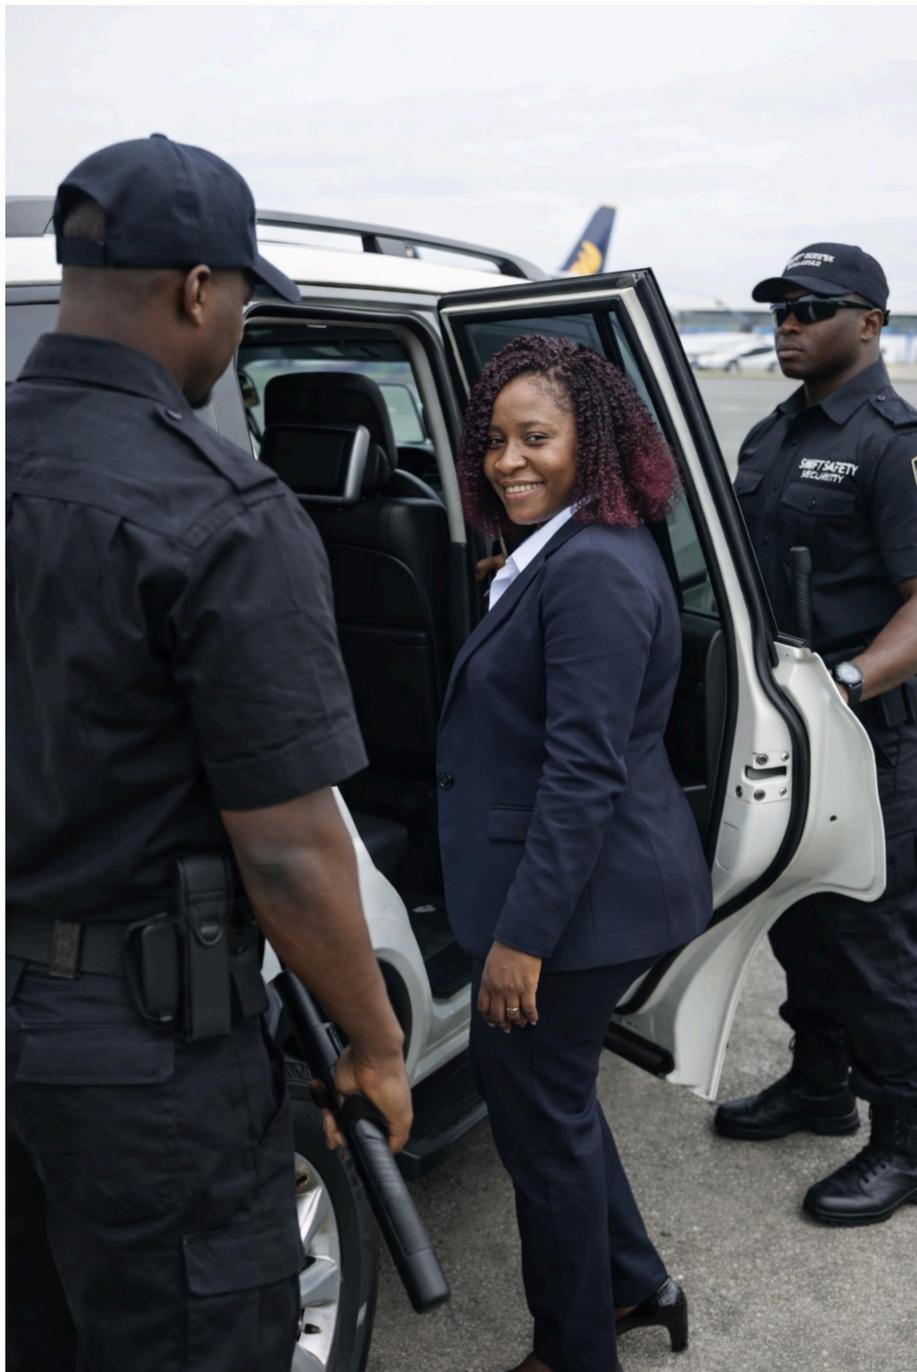

OUR SERVICES

Swift-Safety Security company is a wholly Zambian owned and registered company specialized in the following services;

Static Guarding

We offer static service guards for all environments including; commercial, industrial, retailers, residences and embassies, high rise buildings and offices, as well as mines. In addition to the above, we offer;

- Best patrols or inspection visits.
- random checks on premises by a patrol supervisor.
- Searching of client employees to reduce the likelihood of employee theft and collusion.
- Two way satellite communications with local control room.
- Armed guard where authorized.
- plain clothe guards and undercover operative.
- Security surveys.

VIP PROTECTION

Swift-Safety provide specialized **VIP** and **VVIP** protection. Using our close protection officers, we offer our clients the capability to have someone on hand to assess the ongoing security situations and to offer help and advice not only on the security situation, but also on political, language, culture and religious issues that may affect a client's stay in a geographic area.

Event Security Management

Swift-Safety event security ensures that our customers can focus on the main event while we take care of the security request.

We have a wealth of experience in providing crowd management and security services to the events market. Our breadth of experience across live music, sport, conferences, exhibitions and community events is unmatched in the industry. We make this legacy by providing high quality and well managed security services.

Electronic installations

We cater for both commercial and private projects. Our team is on hand to guide you through every step to ensure a fast, concise and customized technical security solution.

We understand that **CCTV**, Access control solution and Electric fences act as crime deterrents, potential criminals who see these may dissuaded from following through with their planned criminal activities for fear of being caught on tape. Our **CCTV** can be used for live time monitoring of activities or for playback to gather information following on incident. We are able to provide a range of additional functionality, including;

- Remote viewing
- Full integration into your alarm system
- Customer facing monitors
- Motion triggered recording
- Long duration recording
- Full commercial and industrial set ups
- Split back up recording
